

Duo-Pack Multi-Dose Medication Management System

Convenience Meets Simplicity

The Duo-Pack adherence package is designed for manual filling in pharmacies. Its tamper-evident, compact design offers portability for patients and is ideal for those with a semi-complex medication regime.

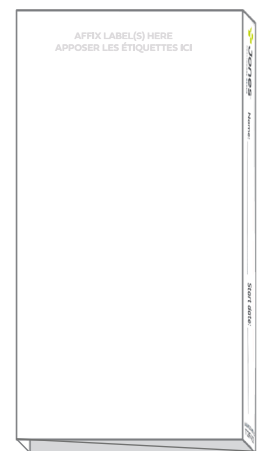

- 1 Customizable cover can be printed with up to 9 colours to showcase your brand messaging
- 2 Blisters (sold separately) come in one jumbo size, saving pharmacy storage space, and can accommodate multiple medications
- 3 Weekly medication manager with two time passes per day – breakfast and bedtime, with 14 cavities total
- 4 Cold-seal and tamper-evident design helps prevent unintended access
- 5 Inside panel for standard multi-med labels

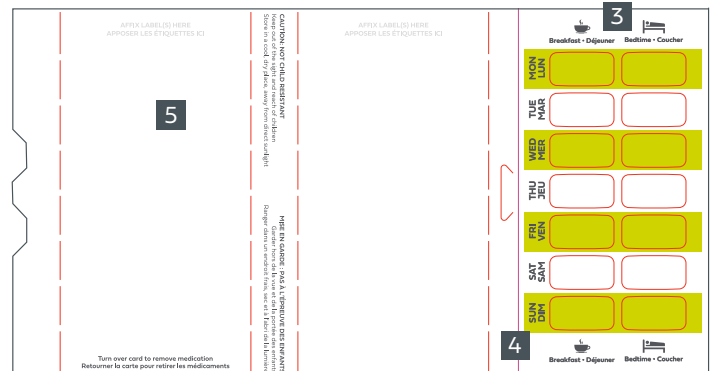

Front When Assembled
