

FlexRx™ Multi-Dose Medication Management System

Functionality and Brand Presence Rolled Into One

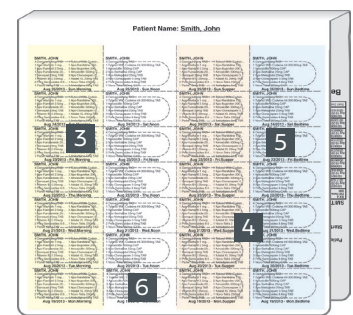

The FlexRx adherence package offers patients flexibility and portability with its detachable high-capacity blisters, while full customization opportunities allow pharmacies to showcase their brand in a cost-effective way.

- 1 Custom-print your cover with up to 9 colours to showcase your brand and messaging
- 2 Measures 7-3/4" (tall) x 8-1/2" (wide) x 15/16" (deep)
- 3 Printing on every cell indicates patient name, medication contained and the date/time it should be taken
- 4 Shaded columns visually cue what time of day to take medication
- 5 Each medication pass time is perforated and can be detached for "on-the-go" portability, creating an easy-to-use medication cup
- 6 Perforated label on all cavities allows easy access to medication
- 7 Summary grid provides guidance during filling and allows for easy verification of filled product
- 8 High-capacity blister easily accommodates multiple medications
- 9 Rounded blister corners absorb energy when medication is dropped during filling, decreasing the risk of "jumping" medications

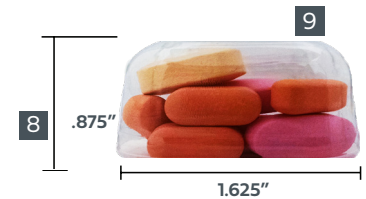

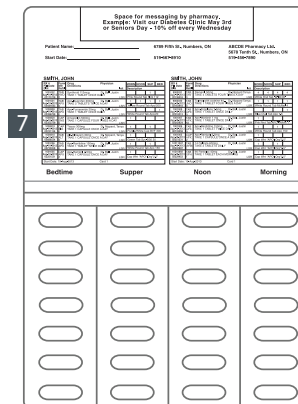

Front When Assembled

Back When Assembled

Inside When Opened

Approved for Use in SynMed®
