

Qube Multi-Dose Medication Management System

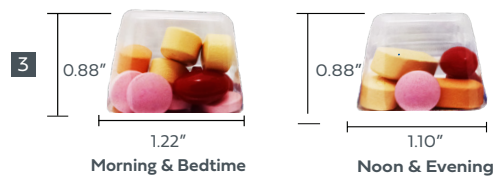

When Bigger is Better

Accommodating an entire week's worth of medication in high-capacity blisters, the Qube adherence package helps patients take the right medications at the right time, no matter how complex the regime.

- 1** Measures 10" (tall) x 6-3/8" (wide) x 7/8" (deep) when completely assembled
- 2** Custom-print your card with up to 9 colours to showcase your brand and messaging
- 3** Larger morning and bedtime cavities hold more medications at the times they're needed
- 4** Easy-puncture foil provides tamper-evident storage for medication and quick visual confirmation that medication has been taken
- 5** Large inside panel accommodates all industry standard multi-med labels
- 6** Clear blisters are easy to check against adjacent medication label to confirm accurate filling
- 7** Large text depicts what time of day to take medication
- 8** Easy grid system for patients to locate the correct medication pass
- 9** Easy-to-remove liner and permanent adhesive provide a secure seal without requiring a heat seal press

Approved for Use in SynMed®, VBM, and BlistAssist® Technology
